

PRESS RELEASE

Date: 3rd October 2006
For Immediate Release

WORLD WIDE CHANGE AT JUST FLIGHT!

NEW JUST FLIGHT WEBSITE GOES LIVE

Just Flight is pleased to announce that after many months of hard work the new websites for Just Flight and Just Trains are now live.

To celebrate the completion of this massive project Just Flight is running a whole host of special offers on its flight and train products throughout October. Visitors to the new sites can make savings on boxed and download products and gain valuable Just Rewards points to save even more money.

Many of the original features still remain but amongst others now added there is an RSS News feed, Streaming videos, and an updated Support Section (no registration required).

The new site has been designed by the award-winning team at Fink Creative and is as pleasing on the eye as the special offers are on the pocket!

Visit www.justflight.com or www.justtrains.net for a visual feast!

About Just Flight

Just Flight is the world's leading flight simulation specialist, publishing a wide variety of digital aviation products. Their range comprises a multitude of different titles, including stand alone flight simulations as well as add-ons for Microsoft's multi-million selling Flight Simulator and Combat Flight Simulator. Just Flight also has Just Trains, a specialist label devoted to stand alone train simulators as well as add-ons for the ever-popular Microsoft Train Simulator.

A British company, based in Cambridge, Just Flight has been established for over ten years. It prides itself on quality, value and customer service, which it backs up with a unique money-back guarantee on all its products.
