

## PRESS RELEASE

Date: 30<sup>th</sup> October 2006

For Immediate Release

### ONE VIDEO RELEASE NOT TO MISS - VFR REAL SCENERY

Label:	Just Flight
Developer:	Just Flight
Genre	Flight Simulation
Release	November 2006
SRP	£24.99/€37.95/\$42.99

The quite 'BREATHTAKING' VFR Real Scenery video is now available to view.

Enjoy a scenic floatplane flight over England's beautiful Lake District. We can assure you that no supercomputers or video trickery have been used here - this is all footage shot in the same retail version of FSX as you've got!

The first volume in the VFR Real Scenery series is due for release on the 24<sup>th</sup> November with the other volumes following shortly afterwards. All four scenery volumes are available for pre-order - and remember that pre-ordering Volume 1 will earn you a massive 1,000 Just Rewards points. That's £10 off your next purchase from the Just Flight or Just Trains website sites!

So to whet your appetite why not visit [www.vfrrealscenery.com](http://www.vfrrealscenery.com) to download and take in this marvelous video. We're sure you won't be disappointed

#### About Just Flight

Just Flight is the world's leading flight simulation specialist, publishing a wide variety of digital aviation products. Their range comprises a multitude of different titles, including stand alone flight simulations as well as add-ons for Microsoft's multi-million selling Flight Simulator and Combat Flight Simulator. Just Flight also has Just Trains, a specialist label devoted to stand alone train simulators as well as add-ons for the ever-popular Microsoft Train Simulator.

A British company, based in Cambridgeshire, Just Flight has been established for over ten years. It prides itself on quality, value and customer service, which it backs up with a unique money-back guarantee on all its products.

#### About GeoPerspectives™

GeoPerspectives, formerly marketed as UK Perspectives, is the only brand that offers national orthorectified aerial imagery and a guaranteed rolling five-year update programme. GeoPerspectives uses the latest technology to capture the most accurate and up-to-date aerial photography, colour infra-red imagery and digital terrain & surface models of England and Wales. GeoPerspectives data is used by government, commercial and academic professionals, including the Department for the Environment Farming and Rural Affairs (Defra), Highways Agency, Yorkshire Water and many UK Local Authorities.

GeoPerspectives is a joint venture between Infoterra Ltd and BlueSky International Ltd.
