GET AIRBUS COLLECTION AT HALF PRICE IN JUST FLIGHT'S MONDAY SUPER SALE

From 09:00 UK time on Monday 4th June until 09:00 on Tuesday 5th June you'll be able to buy Airbus Collection – Download - <http://www.justflight.com/product.asp?pid=162> or on DVD <http://www.justflight.com/product.asp?pid=161> at half the normal price.

Airbus Collection is part of Just Flight's new F-Lite range. This Airbus package has been specially designed by the experts at Commercial Level Simulations to be very high in quality and yet easy to operate.

Are you fed up with ultra-complex FMCs? Confused by over-serious systems?
Or are you simply new to modern airliner operations?

If the answer to any of these is Yes, then the F-Lite range is for you! A high-quality model design is coupled to very high-quality textures, animations and super flight model characteristics - and all at an affordable price.

This is one package that has already received numerous accolades and here are just a couple:

"Every plane in Airbus Collection looks good, sounds great, is frame-rate friendly, and comes loaded with animated parts... For the average casual user, Airbus Collection provides a stable, robust, and most importantly, fun add-on for MSFS"
AVSIM.com

"This package is excellent if you like no-nonsense, easy to fly aircraft. Given the number and quality of aircraft included in this package it is pretty good value for money" **PC Flight**
