

PRESS RELEASE

Date: 18th June 2007

For further information, pack shots, samples or assets, please contact Scott Phillips – scott@justflight.com

TORNADO FOR A TENNER!

But only for 24 hours!

It's Monday again, which means another Super Sale!

Between 09:00 UK time today (Monday 18th June) and 09:00 Tuesday 19th June, you can pick up a copy of [RAF Tornado](#) for FS2002, [FS2004](#) and [CFS3](#) for only £9.99/€14.95/\$17.99.

The RAF's potent ground attacker keeps the peace in Flight Simulator 2004/2002 and goes to war in Combat Flight Simulator 3. Virtual aviation enthusiasts can join the modern-day boys in blue, open the taps and move the mud at Mach 2.2! The real Tornado was developed by perfectionists and this unique simulation is no different; it's officially licensed by the Royal Air Force and depicts aircraft from No. II(AC) Sqn, IX(B) Sqn, XIII Sqn, 14 SQn and 617 Sqn.

So why not hurry and grab yourself a Just Flight classic for this wonderfully low one-off price.

About Just Flight

Just Flight is the world's leading flight simulation specialist, publishing a wide variety of digital aviation products. Their range comprises a multitude of different titles, including stand alone flight simulations as well as add-ons for Microsoft's multi-million selling Flight Simulator and Combat Flight Simulator. Just Flight also has Just Trains, a specialist label devoted to stand alone train simulators as well as add-ons for the ever-popular Microsoft Train Simulator.

A British company, based in Cambridge, Just Flight has been established for over ten years. It prides itself on quality, value and customer service, which it backs up with a unique money-back guarantee on all its products.
